- Comprehensive Lapraoscopic Surgery 4th edition by IAGES Co-Authored the chapter on Bilioenteric Anastomosis

Books edited:

- Management of Nutritional and Metabolic Complications of Bariatric Surgery published by Springer
- Newer Concepts and Procedures in Hernia Surgery - An Atlas

Past

- Doctors Without Borders/ Médecins Sans Frontières

Medical Doctor, Staff Health Supervisor, Medical Liaisoning Officer COVID-19 Intervention Volunteered during the ongoing pandemic with Doctors Without Borders. The aim of the project was to decongest government hospitals by treating moderate and severe Covid patients at a temporary 100-bed IPD set up in a stadium in Patna. I assumed the position of Medical Liaisoning Officer where I worked to ensure smooth referrals to and from the facility, facilitation of research project between DWBI and AIIMS Patna, facilitation of psychological self-care and first aid training for various government medical colleges in Patna, and exploration of the state for periodic assessment of need.
