DOSS VENTURE

Started a venture called DOSS (DIABETES \$ OBESITY SURGICAL SOLUTIONS) with Dr.Neeraj Rayate (Eminent Laparoscopic and Bariatric Surgeon) in January 2012.

DOSS aims to provide a comprehensive solution guide to all OBESITY patients with respect to DIET, EXERCISE and/or SURGERY which is tailor made for each patient separately.

Have standardized protocol systems with international standards for all Obesity patients undergoing Bariatric and Metabolic Surgery.

DOSS Clinic has the distinction to be the FIRST center in India to achieve IEF (INTERNATIONAL EXCELLENCE FEDERATION) recognition in Bariatric and Metabolic Surgery for following international standards and protocols in Bariatric and Metabolic surgery.

Have started DOSS SUPPORT GROUP meetings every quarterly to provide emotional support and education for obesity patients and families of those who have undergone bariatric surgery or those who may be considering and are skeptical about bariatric surgery.

DOSS has a team of well qualified and experienced Laparoscopic surgeons, Registered Dieticians, Psychologists and Physiotherapists.
