Dear Colleague,

It gives us great pleasure to invite you to the "Outreach Program on Bariatric & Metabolic Surgery" with live operative workshop, scheduled to be held on 14th December 2025 at Aadhar Hospital, Hisar.

This academic event will provide a focused overview of the latest developments, evidence-based protocols, and evolving techniques in bariatric and metabolic surgery. It is designed to enhance clinical understanding and surgical skills for practicing surgeons and postgraduate trainees.

Participants will benefit from expert lectures by leading bariatric surgeons and live surgical demonstrations. We are confident that this program will offer practical insights, encourage meaningful academic exchange, and strengthen professional expertise in managing obesity and metabolic disorders.

Please find the detailed scientific agenda attached with this letter.

We sincerely hope you will join us and enrich the program with your esteemed presence and active participation.

Warm regards,

Dr. Deepak Mittal
