Dr Sandeep Aggarwal attended medical school at All India Institute of Medical Sciences (AIIMS), New Delhi and completed his surgical residency from AIIMS. He also completed a 1-year Research fellowship at Mount Sinai School of Medicine in New York, USA and a 4 month period in Homerton

University, London, UK as a Commonwealth Fellow.

Dr Aggarwal is an accomplished bariatric surgeon and established a robust obesity surgery program at AIIMS in year 2008, the first public funded Institution in the Country to have such a program. Since then he has operated more than 1500 patients with severe obesity.

Dr Aggarwal is actively involved in research in the field of obesity, bariatric and metabolic surgery. His research interests include impact of Obesity Surgery on Non-Alcoholic Fatty Liver Disease (NAFLD), Obstructive sleep apnea and Type 2 Diabetes mellitus. He has authored numerous book chapters and published more than 150 research papers in high impact journals. Dr Aggarwal is the Section editor of an internationally acclaimed book on Bariatric Surgery published by Springer, UK. He has delivered more than two hundred national and international lectures

on obesity and Bariatric Surgery as an invited faculty.

Dr Aggarwal is Fellow of National Academy of Medical Sciences, Fellow, American College of Surgeons and a Commonwealth Fellow. He is the Editor of Journal of Minimal Access Surgery, Associate Editor of Journal of Bariatric Surgery, and a member of the editorial board of the journal 'Obesity Surgery'. He is an active member of several scientific societies. He is the Founder President of Foundation for Obesity Research and Metabolic Surgery as well as Organizing Chairman of BARICON
