Dr. Vivek Bindal did his MBBS & MS from prestigious Maulana Azad Medical College, New Delhi. Subsequently, he completed a super-specialty degree, FNB in Minimal Access Surgery from National Board of Examinations. He then went to the USA for an advanced one year Fellowship in Robotic GI & Bariatric Surgery. He worked at University of Illinois at Chicago and then at Duke University as a faculty member.

After returning from the USA, he served at Sir Ganga Ram Hospital for 10 years and became the Vice-Chairman of Institute of Minimal Access, Bariatric & Robotic Surgery. He joined Max Healthcare in April 2021 and started the Institute of Minimal Access, Bariatric & Robotic Surgery at Max Hospital Vaishali, Patparganj & Noida.

He has published widely and has more than 50 papers in internationally reputed journals, and more than 30 book chapters. He is an invited speaker at many international & national conferences in the field of Robotic, Bariatric, Hernia, Abdominal Wall Reconstruction,

gallbladder & advanced laparoscopic surgery. He has trained more than 250 surgeons in India and abroad. He has helped start the robotic surgery programs at various reputed hospitals like CMC Vellore, PSG Medical College Coimbatore, Sir Ganga Ram Hospital, Max Dehradun, Max Mohali etc.

He has been bestowed upon multiple national & international awards including

1. International Scholar Award by American College of Surgeons at Washington DC
2. Times of India Healthcare Achiever Award
3. Golden Globe Video Award by Association of Surgeons of India
4. GSL Achievement Award at IAGES 2022
5. Rising Star award by Indian Association of Gastro Endosurgeons
6. Him Gaurav Award awarded by Cabinet Minister of HP Govt

Dr. Bindal has been covered widely by the media for challenging cases that he has performed successfully, including the bariatric surgery of the youngest child in the world and first robotic excision of retroperitoneal Schwannoma tumor globally.
